Form for the Evaluation of a Master's Thesis

When approving the service request for thesis to be submitted for evaluation (SOUM), the thesis director must specify which of the two scenarios below applies and attach the form to the service request. The thesis will not be considered approved until this form is received.

Student information

Last name, first name (s): _____

Student number: _____

School: _____

Master's thesis

Select scenario 1 or 2.

Scenario 1: If a thesis advisory committee (TAC) was in place and the members read and evaluated the thesis during the student's writing process, only the internal examiner not included in the TAC is required to submit a detailed written evaluation prior to the defence.

List the names of the TAC members who have already read and evaluated the thesis, approved the final thesis for defence and who will therefore not be required to submit an evaluation report.

Examiner 1: _____

Examiner 2: _____

Examiner 3: _____

Examiner 4: _____

Scenario 2: If only the thesis supervisor supervised the student during the writing of the thesis, at least two internal examiners must submit a detailed written evaluation report prior to the defence.
