

July 17, 2023

To Whom It May Concern,

Carina Jialing Tang has completed the following requirements for inclusion in an Animal Care Committee approved Animal Use Protocol at York University (YU).

**VICE PRESIDENT OF
RESEARCH &
INNOVATION**

KANEFF TOWER
5th Floor
4700 KEELE ST
TORONTO ON
CANADA M3J 1P3

- October 2021 – completion of the YU Medical Surveillance Program for personnel working with research animals.
- October 2021 & March 2022 – completion of the required Canadian Council on Animal Care (CCAC) YU Moodle/eClass, with a required non-academic passing grade of $\geq 75\%$.
- November 2021 & March 2022 – completion of the YU required Vivaria Orientation and mouse-specific handling and training with Vivaria Personnel.

Please feel free to contact me if more information is required.

Sincerely,

A handwritten signature in blue ink that reads "Wendy Lezama".
